

Gloucester Rangers Andrew Creppin Leading by Example

December 21, 2009- There is no doubt that Andrew Creppin wants to win this year and works hard to help his team and team mates to be competitive every game. Andrew has been with the team since 2007 and prior to that was part of the Gloucester Rangers minor hockey association. Andy or *Crep* as he is known to his team mates is never late for practice and is often the first on the ice and the last to leave. He listens attentively to the coaches but if he has anything to add is never too shy to speak up.

Andy is the assistant captain of this team and is their leading scorer with 31 goals and 40 assists to date. Last season he had 31 goals and 43 assists so he is well on track to beat his last year stats. Andy is also climbing up the ladder as an all time leader for the Gloucester Rangers with 92 goals and 113 assists placing 9th in our all time goal scorers and 10th in points.

Number 18 can be seen on most game nights centering the face offs, fighting along the boards for the puck, killing penalties or playing on the power play. There is no doubt that Andrew Creppin is an all star this season and as well as being selected player of the month for his team in November he has also been selected for the CJHL all star Battle of Ontario team.

“Andy is a real leader and we are proud to have him as part of our team. He takes time to help our younger players and is a great team player. He has exceptional skills that he uses to help the team every game. We wish Andy the best for the rest of the season and we look forward to him breaking some team records this season,” says Paul Jennings, owner & manager of the Gloucester Rangers.
